3. [redacted] in the Director's office called to advise of his receipt of a letter from the Bureau of the Budget requesting the Agency's comments on S. 764, the Antarctic Commission Act.

4. Talked with Mr. LaMacchia in the General Counsel's office of the Civil Service Commission regarding S. 1489, Senator Keating's bill. LaMacchia indicated that the Commission was forwarding a report objecting to the enactment of the bill on grounds which were primarily administrative in nature. He acknowledged the existence of certain legal problems in this proposal but said he felt it unnecessary to face up to them in view of their other objections.
